Instructions for the competitions

Debate

- The participants need to prepare for both the motions; for and against the topic
- Participants would be told about their stand at the time of registration by chit and draw system
- Participants should be prepared for a refuting round (duration: 2 minutes) after they have expressed their views on the topic
- Maximum 2 participants per college

Skit

- The participating team should keep the time factor very strictly
- The teams are welcome to use props in the play. Teams who use eco friendly props will be credited accordingly
- Number of participants should be not more than 8 people
- Maximum 1 team per college
